

Healing Properties

The stones we use in our jewelry come from all over the world from Afghanistan (Lapis Lazuli) to Mexico (Onyx) to Brazil (Amethyst) to South Africa (Tiger Eye). We primarily use spherical shaped stones to allow for the most movement of energy within each stone's healing properties. The stones we use are specially selected for their healing energy and holistic values. *

African Turquoise

Origin: Zimbabwe

Encourages trust in self to stimulate independent action.

Improves communication skills by speaking from love and inner wisdom. Attracts money and provides protection from accidents while traveling. Can reduce headaches.

Amazonite

Origin: Brazil

Inspires expression of self and improves self worth. Stimulates

heart and throat chakras and balances male/female energies. Brings out faith in the larger picture in life. Great stone for healing the heart, both emotional and physical. It can be used to treat nervous disorders and reduces muscle spasms.

Amber

Origin: Czech Republic

A great stone to use while doing inner child or past life processes.

Can be used to cleanse toxins from both you and your environment. Use for headaches and purifying blood. This stone has the wisdom of the ages, draw upon it for a strong sense of inner peace.

Amethyst

Origin: Brazil

Called the "sixth sense" stone. It is highly connected to spirituality.

Known for attaining wisdom and peace. It centers you through changes with ease and comfort. Opens third eye chakra for insight to inner light. Great to release addictive behaviors, especially alcohol, and to relieve insomnia and headaches.

Ametrine

Origin: Bolivia

This stone is grown in perfect balance and harmony inspiring

those energies in you. Can be extremely useful in long standing disease or disorder. Promotes optimism and well-being that cannot be disturbed by outside situations or people. Restores order in times of chaos.

Angelite

Origin: Peru

Can heighten telepathic responses. Inspires you to speak

your truth and follow your heart. Can be used for weight control and in treating thyroid disorders. This stone can connect you to your higher self so you may live with the courage to have your ultimate life.

Apatite

Origin: Myanmar

Can release negative energy from the root chakra that could

be holding hidden anger and resentment. This stone encourages passion without guilt or shame. Great for embracing new ways of thinking. It increases motivation and can build up energy reserves for extra stressful times.

Aquamarine

Origin: Brazil

This translucent stone opens the bridge from Heaven to Earth. It

can break old thought patterns introducing you to a new dynamic life. It can heal disorders of the throat. This stone can provide courage and clarity while surrounding you with nurturing energy.

Aragonite

Origin: Utah, USA

The "Stone of Earthly Grounding" is rich with solid anchoring ability.

Transforms stress and anger into increased self-esteem bringing a calm confidence. It can aid in calcium absorption and treatment of chronic fatigue. Resonates with the root chakra.

Aventurine

Origin: India

Great for motivating you to put your heart's desires into action.

Brings out leadership abilities promoting clarity in making choices. Can treat disorders of the thymus gland, heart and lungs. Stimulates and clears heart Chakra. Great for attracting prosperity and wealth.

Azurite

Origin: Arizona, USA

The "Stone of Heaven" can activate the third eye Chakra for

direct influence on your quest of spiritual self. Great for circulatory disorders because it is an ore of copper. Can prevent the past from interfering with present relationships. Encourages empathy for others.

Bloodstone

Origin: India

The "Stone of Courage" is great for stamina of mind and body.

Can connect you with the Divine source inspiring trust to live in the moment. Good to attract money. Can rid toxins and purify spleen, kidneys, liver and bladder. Opens and activates heart Chakra.

Blue Lace Agate

Origin: Namibia

Can activate Chakras from heart to crown stimulating clear choices from heart and head. Eases depression and despair bringing feelings of encouragement and support. Conducts steady energy flow through the body and can relieve arthritis.

Botswana Agate

Origin: Botswana

Encourages understanding of eternal love in the ever-changing universe. Allows focus on solutions rather than existing problems. Great for treating stress and depression. Strengthens sexual energy and dispels feelings of being disconnected from friends and family.

Calcite

Origin: Utah, USA

The "Stone of Imagination" increases creativity and intuition. Removes fear allowing confidence and self-reliance to move forward. Use for treatment of back pain and to increase physical strength. It transforms excess and scattered energy into clear, creative focus.

Carnelian

Origin: India

Can dispel feelings of rage, fear, and envy. A cheerful stone that brings out joy. Calms emotions and increases ability to reason. Recommended to ease arthritis pain. Strengthens bond between parent and child. Inspires unconditional love for yourself and others.

Celestite

Origin: Madagascar

This divine stone promotes peace and cooperation. As its name suggests, this stone can deepen your connection with angelic realms. Great to treat disorders of the eyes and ears. Can transcend everyday experiences to those of a higher purpose.

Chalcedony

Origin: Namibia

A protective stone that can shield you from others' negative thoughts and jealousy. It has been used to improve blood and circulation disorders. It can transform thoughts of self-doubt to feelings of courage and faith.

Charoite

Origin: Russia
